

BANCROFT MILL ENGINE TRUST

Gillians Lane, Barnoldswick. BB18 5QR: Charity Number 517795.

MEMBERSHIP APPLICATION FORM

In order to keep this unique mill engine in steam we rely on our members, not only for the contribution that their annual fees provide but also for their valuable help and assistance in running the museum.

Members enjoy access to the museum on almost every Saturday throughout the year as well as to every steaming day throughout the season (see Steaming Days on this website or details from the emailed/mailed newsletters), Thus the mill engine is kept running by a small band of dedicated volunteers. Many skills are useful, if you have some engineering knowledge, would like to learn new skills, control the engine run the loom or just to help out on steaming days there is a warm welcome at Bancroft for you. You need only tick the appropriate box below, additionally; it would also be helpful if you could tick the Gift Aid box as it allows the Trust to reclaim the tax paid on your membership fee at the standard income tax rate.
