

Bancroft Mill Engine Trust – Membership form

Gillians Lane, Barnoldswick, Lancashire
Charity No: 517795 – www.bancroftmill.org.uk

In order to keep this unique mill engine in steam we rely on our members not only for the contribution that their annual fees provide but also in the valuable help and assistance that individual members can give to the running of the Trust.

Members enjoy access to the mill on almost every Saturday throughout the year, as well as to all of the steaming days throughout the season (see website or mailings for current dates). You will also be kept up to date with a regular newsletter. The engine is kept running with a small band of dedicated volunteers, however, we always need people that help us to help others enjoy our rich heritage. If you have some basic engineering knowledge, would like to learn new skills, control the engine, operate the loom, stoke the boiler, paint the walls, or just help out on steaming days then please tick the box below to express your interest and then come along and enjoy the company of all those others who will make you most welcome. Please also remember to tick the gift aid box if appropriate as the tax man then gives us a further 28p in the pound from your membership fee or donation.

Membership fees as follows *(Please write number required by side of each)*

Life membership £100

Adult £10

Concession, Senior or Student £7.50

Child under 16 £5

I would like to donate an additional £_____ to further the work of the Trust.

Please supply your details *(add any additional names overleaf)*

Name:

Address:

Telephone:

email:

Date:

Tick box if you would like to volunteer to help us further

I would like this, and any further donations from this date to be treated as Gift Aid. I declare that I pay Income or Capital gains tax at least equal to the tax the Trust reclaims

Please forward your cheque, made payable to **Bancroft Mill Engine Trust** to Jim Gill, Mean Moss Farm, Boulsworth Road, Trawden, Colne, BB8 8ST. Tel: 01282 865 626

***Why not enjoy a private steaming for your friends and guests – and get to start the engine?
It makes an unusual and unique present for that special occasion or celebration***
